Single Table

User Manual

Ergonomic and elegant
manicure single table

ASSEMBLY

<p>A (x2) Table Legs</p> 	<p>B (x1) Wrench</p> 	<p>C (x1) Trash Bin</p> 	<p>D (x8) Rubber Feet</p> 
<p>E (x1) Top Drawer</p> 	<p>F (x8) M3x6 Screw & Washer</p> 	<p>G (x1) Key Wrench</p> 	<p>H (x5) Pull Handles</p> 
<p>I (x1) Marble Countertop</p> 	<p>J (x1) Hand Rest Cushion</p> 		

1. Unpack the components

The Table Legs (A) are secured together with bolts and nuts inside the packaging to protect them during transport. Using the Wrench (B), remove the bolts and separate the legs before beginning assembly. The bolts and nuts removed in this step will not be reused.

Locate the Trash Bin (C) in the lower drawer of the right leg (A2). All the hardware required for assembly is stored inside the trash bin.

2. Attach Rubber Feet

Insert the Rubber Feet (D) into the 4 holes at the bottom of each Table Leg (A).

3. Assemble Table Legs to Top Drawer

Attach the left leg (A1) and right leg (A2) to the Top Drawer (E) using the Screws (F) and the Allen Key Wrench (G).

4. Assemble Pull Handles

The Pull Handles (H) are pre-installed on the inside to protect them during transport. Unscrew each handle and reattach it to the exterior side.

5. Recommended: Fasten Countertop

Fasten the Marble Countertop (I) to the top of the table using glue or silicon (not included).

6. Finished assembly

The table is now fully assembled. Remember to put the Trash Bin (C) back into the drawer where it came and place the Hand Rest Cushion (J) on the Countertop.

FEATURES

1 | Elegant Design

Elevates your saloon style with an elegant design with marble quartz countertop and silver accents.

2 | Storage

Five drawers and two open shelves to have everything you need close at hand.

3 | Power Hub

Embedded power outlets available to connect from every drawer.

- 2 AC Outlets
- 1 Fast charging USB-A port
- 1 Fast charging USB-C port

4 | Trash Bin

Includes a concealed trash bin drawer to help maintain a clean and tidy workstation.

5 | Rubber Feet

Heavy duty rubber feet. Provide a stable support while protecting table and floor from scratches and wear.

6 | Hand Rest Cushion

PU, acetone resistant nail cushion accessory.

MAINTENANCE RECOMMENDATIONS

- Clean the table and all accessories after each service using an appropriate cleaning solution or sanitizer.
- With intensive, high-volume use, some components —such as drawer hardware and rubber feet— may wear down over time. Perform regular inspections of the table and its components to detect early signs of wear, and replace parts as needed. Routine maintenance will help extend the product's lifespan.
- Heavy use may also cause the countertop surface to wear or become damaged over time. Do not service clients on a cracked, chipped, or peeling countertop, as this may cause injury. If the countertop shows signs of deterioration, please contact Customer Service to arrange repair or replacement.
